**SUPERIOR COURT OF CALIFORNIA
COUNTY OF LOS ANGELES**

Richard Riess,
Petitioner,

v.

Desiree Capuano,
Respondent.

Case No.: TD 035397

**DECLARATION OF RICHARD RIESS
REGARDING EFFORTS TO OBTAIN BIRTH
CERTIFICATE**

I, Richard Riess, hereby declare under penalty of perjury that I am the Petitioner in the captioned matter and that all statements made herein are true and correct to the best of my knowledge.

1. On December 6, 2011 the Court ordered me, on the Respondent's request, to provide a copy of my birth certificate or other proof of US citizenship.
2. The last time I obtained my birth certificate I was only required to provide a completed application form and the required processing fee.
3. Since the last time I had obtained my birth certificate, the Department of Vital Statistics had changed the requirements for obtaining a birth certificate, such that the applicant is required to also submit a copy of a valid, government issued photo identification. (Ex. 1)
4. When I was released from Department of Homeland Security custody on August 31, 2011 my

government issued photo identification was not returned to me.

5. In December 2011 I contacted the Florida Department of Vital Statistics to inquire about obtaining a birth certificate without providing a government issued photo identification.
6. I was informed by the Department of Vital Statistics that I could submit three bills bearing my name and address, in lieu of a government issued photo identification.
7. In March 2012 I contacted the California Department of Motor Vehicles to inquire about obtaining a photo identification. I was informed that I would require a copy of my birth certificate.
8. In July 2012 I contacted the Department of Vital Statistics again, to explain that I did not have three bills with my name and address because I was recently released from custody and have not yet had the means to acquire services which would provide such bills. I explained that I required the birth certificate to comply with a Court Order in a family court matter. I was informed that unless I could provide either a valid government issued photo identification or at least three bills with my name and address they would not be able to provide the birth certificate.
9. I believe that in order to obtain the required artifacts as required by the Department of Vital Statistics I will need to obtain a steady income to pay for the services which will provide the three bills with my name and address. I am actively attempting to obtain such steady income by applying for jobs for which I am qualified.

Dated this 10th day of September, 2012.
